

The Good Shepherd Pre-School

78a, Weaverthorpe Road, Woodthorpe, Nottingham, NG5 4PT

Charity Number: 1020606

The Good Shepherd preschool offers two different sessions-

- 15 month club (Fridays 1:15-3:15pm) 15 months to 3 years (accompanied by an adult)
- Preschool (Monday – Friday) 9:00-12:00pm
- Preschool (Monday and Tuesday) 12:15-3:15

A lunch club is also available for preschool children on Thursday and Friday lunch times from 12:15-12:45 at an additional cost of £2 per day.

The 15 month club provides children with a stepping stone from parent and toddler sessions, to a more structured environment within preschool. Whilst parents or carers are still required to stay and supervise their child's play during the 15 month club, qualified early years practitioners are available during the sessions to advice on the activities available.

Children are offered a drink and usually a biscuit or fruit during story time, while parents are welcome to make themselves a hot drink, however these drinks must be consumed in the kitchen due to health and safety requirements.

Parents are asked to kindly help with clearing away at the end of the session. Parents with younger children are welcome to bring them along, however as a rule we do not allow children over three years to attend.

Fees are £3 a session and the first session is free.

Please detach the registration form and return to Kerry Shaw to the address given above. Alternatively call in any week day to arrange a free trial session.
